*Happy are those whom the all-glorious Pen was moved to remember, and blessed are those men whose names, by virtue of Our inscrutable decree, We have preferred to conceal.*

*(Bahá'u'lláh, Gleanings from the Writings of Bahá'u'lláh, p. 6)*

The more love is expressed among mankind and the stronger the power of unity, the greater will be this reflection and revelation, for the greatest bestowal of God is love. Love is the source of all the bestowals of God. Until love takes possession of the heart no other divine bounty can be revealed in it.

(Abdu'l-Bahá, Bahá'í World Faith - Abdu'l-Bahá Section, p. 218)
